

BLE Receivers - *ble.csv*

Contains the following information.

BLE Receiver ID, BLE MAC, X, Y

Train Data Collection Pins - *pin.csv*

Contains the following information.

Pin ID, X, Y

Test Data Collection Pins - *testPin.csv*

Contains the following information

Pin ID, X, Y

Discrete Training Data - *rss.csv*, *rss_2.csv*

rss.csv contains fingerprints recorded with low battery level.

rss_2.csv contains fingerprints recorded with high battery level.

Discrete Test Data - *testRssi.csv*, *testRssi_2.csv*

testRssi.csv contains fingerprints recorded with low battery level.

testRssi_2.csv contains fingerprints recorded with high battery level.

Continuous Training Data - *sequenceLoc.csv*, *sequenceRssi.csv*

sequenceLoc.csv records the sequence of locations recorded by UWB positioning system.
sequenceRssi.csv records the sequence of Bluetooth RSSI changes while collecting data.

Continuous Test Data - *testSequenceLoc.csv*, *testSequenceRssi.csv*

testSequenceLoc.csv records the sequence of locations recorded by UWB positioning system.
testSequenceRssi.csv records the sequence of Bluetooth RSSI changes while collecting data.
